PERSONAL HISTORY

I am a fifth generation horseman whose family has been involved in the thoroughbred business in Central Kentucky for over a century. My grandfather Hal Price Headley, was recognized as a consummate horseman, owning 2000 acres of Beaumont Farm where he raised and raced champions including **ALICIBIADES** and **MENOW**. His lasting legacy to the industry were his horses and his instrumental role in the formation of Keeneland Race Course where he served as the first president for 15 years.

My mother is Alice Chandler, who is also recognized as a consummate horseman. After the death of her father in 1962, she grew 248 acres of land left to her from Beaumont Farm to a 900 acre farm today, Mill Ridge Farm. She had immediate success when **SIR IVOR**, sold as a yearling at Keeneland in 1966, would go on to win the Epsom Derby in 1969 and be named British Horse of the Year. **SIR IVOR**'s success led to the development of European clientele including: Prince Khalid Abdullah (Juddmonte Farms), Sheikh Mohammed Al Maktoum (Darley Stud), Sheikh Hamdan al Maktoum (Shadwell Farm), Lord Howard de Walden (Plantation Stud), Her Majesty the Queen and others.

In 1998 homebred, **KEEPER HILL**, owned by Alice and John Chandler and partners, would win one of the greatest races for three year old fillies, the Kentucky Oaks (G1). In 2000, **POINT GIVEN**, owned by Thoroughbred Corp. and raised at Mill Ridge would win two legs of the Triple Crown, Preakness (G1) and Belmont (G1) and become Horse of the Year. 2005 would provide us one of our greatest thrills, with **GIACOMO** winning the KENTUCKY DERBY (G1) for Jerry and Ann Moss. That same year, Mill Ridge sold for Marty and Pam Wygod a colt by Storm Cat/Tranquility Lake for then a record price of \$9.7 million at the Keeneland September Yearling Sale.

Known for "Raising and Selling Racehorses", Mill Ridge has raised or sold 34 G1 winners since 2000. Included in this group are (8) Breeders' Cup winners, (1) Kentucky Derby winner and (5) Horse of the Year titles.

After graduating from Vanderbilt University, we felt the industry was changing and was in need of a full service consulting agency to assist Mill Ridge clients and others. Named Nicoma Bloodstock, I became its founder and president in 1979. We had early success when assisting with a mating in 1983 on behalf of the de Moussac family, breeding **TREMPOLINO** who won France's greatest race in 1987, Prix de l'Arc de Triomphe (G1) and recognized as Champion Three Year Old. In 1987, we repeated this accomplishment assisting Mrs. Lillie Webb with mating **SUAVE DANCER** who would go on to win the 1991 Prix de l'Arc de Triomphe (G1) and recognized as French and Irish Highweight.

In 1996, we purchased at Keeneland auction for \$190,000, **HIDDEN LIGHT** for the de Moussac family. We mated her with EL PRADO and the eventual colt, **ARTIE SCHILLER** went on to win the 2005 Breeders' Cup Turf Mile (G1). In 1998, we bought for \$425,000 a NUREYEV yearling filly at Keeneland for Mr. George Strawbridge, Jr. Named, **NO MATTER WHAT**, she won the Del Mar Oaks (G1). In 2005, we mated her to DYNAFORMER and she produced a filly named **RAINBOW VIEW** who became a multiple G1 winner and named Highweight Filly at two in England and at three in Ireland.

On behalf of Roy and Gretchen Jackson, we mated their mare LA VILLE ROUGE to DYNAFORMER in 2002 and produced **BARBARO**. **BARBARO** won in 2006, the Kentucky Derby (G1). Also in 2006, **STREET SENSE**, who we assisted in mating for Jim Tafel, won the Breeders' Cup Juvenile (G1) and was named Champion Two Year Old. In 2007, **STREET SENSE** became the first Breeders Cup Juvenile winner to win the Kentucky Derby (G1).

In 2003, on behalf of Nancy Dillman, we purchased **EASTER BUNNETTE**. Assisting with the mating in 2006 to SAINT LIAM, she produced **HAVRE DE GRACE** who was sold by Mill Ridge as a yearling for \$380,000. She would go on to become the 2011 Horse of the Year, and be sold at Fasig Tipton by her owner Rick Porter for \$10 million.

Among our services at Nicoma are appraisals of bloodstock. We are very fortunate to assist many of the leading owners/breeders throughout the world in appraising their horses including, Juddmonte Farms, Darley Stud, Live Oak Stud, George Strawbridge, Jr., Winchell Family Trust, and others. Also, we act as a consultant for leading owners/breeders including George Strawbridge, Jr., John and Jerry Amerman, Audrey Otto, Haras du Mezeray and others.

Within the consultant side of our business are the purchases of broodmares and yearlings. Our results have been outstanding in each of these categories with over 100 broodmares purchased since the start of Nicoma and 13.2% of these producing G1 winners. Yearling purchases consist of over 150 bought and 28% becoming Stakes Winners or Stakes Placed horses.

In 2008, I became Managing Partner of Mill Ridge Farm while continuing to serve as President of Nicoma. We continue to have strong results as demonstrated with **OSCAR PERFORMANCE's** win in the 2016 Breeders' Cup Juvenile Turf, our 34th G1 winner raised or sold with Mill Ridge since 2000.
